Subject: Paris Travel Wear

If your student is travelling to Paris and you haven't been receiving emails, please contact kpabtripcoordinator@gmail.com All information that has been sent to date can also be found at www.kamiakarts.org on the Paris page.

The sample Paris jackets are now in.

Students:

- Students will be fit for their Paris Jackets during band class on Monday, January 30th.
- If you are not in band, please stop by during your lunch. We will be in the hallway by the copy machine (in the PAC).
- If you won't be in class on Monday or cannot come during lunch, please contact Jean Langenegger to coordinate a time for another fitting.

Chaperones & Shadows:

- Chaperones & Shadows will have the opportunity to be fit on Tuesday, January 31st at Starbucks from 7:00 – 8:00 (same time/place as Scrip)
- If this time is not convenient for you, please contact Jean Langenegger to coordinate an alternate time to meet.

Family & Friends:

- If you are not travelling to Paris, but would like a travel jacket please come to the Chaperone & Shadow fitting or contact Jean Langenegger to place an order.
- We hope to have an exact price for you at the time of the fitting.

Miscellaneous (but important) Information:

- Names will **not** be embroidered on your jacket unless you request it. It is an extra \$5.00-\$10.00 (we are still waiting to find out the exact price) that will be charged to your KPAB account.
- The order needs to be placed by February 6th.

Uniforms

- Your uniform needs to be cleaned before going to Paris – if you didn't have your uniform cleaned after Show Band season, you need to do it before heading to Paris. Remember to take off the baldric (silver sash) and store it in your Shako box.

- Check your uniform jacket & pants to make sure they still fit. If it is getting small, contact Jean Langenegger to set up a time to be refitted.
- Check your shoes to make sure they still fit – there is a very limited amount of used shoes available. If you think you'll need new band shoes before Paris, please let Jean Langenegger know ASAP, as she will need plenty of lead time to purchase shoes (\$35.00/pair).
