

Kamiak High School Choir

2011-2012 Leadership

Official Application

When completing the application, be thorough, complete, creative, and honest. Don't say what you think the director wants to hear. Say what you really think. Leaders are people who can offer something new and different to the Choir. This application process is structured so that you will gain insights into yourself as a person. You need to open up and show the person what you truly are, or what you aspire to be. Whether you are chosen to participate in the capacity you desire is not the penultimate point. Dig deep, answer the questions to the best of your ability.

4. Open Forum: this is where you have the opportunity to show your creative side. You may do anything that you deem appropriate to convince us that you are able to “think outside the box” and address issues in a different manner. This is the portion of the application where you should expect to learn the most about yourself as an individual. Therefore, take a risk here -- this should be fun for you and the Chior.

Please understand that if chosen, you will be held to a higher standard of behavior, performance, and work ethic than your peers. You must be willing to make that sacrifice so that others around you may succeed. Serving in this capacity will not only provide others with a better experience, but will provide you with a tremendous growth opportunity that will serve you for years to come.
