The Kamiak Performing Arts Boosters Organization is awarding **four \$500.00 scholarships to senior students** who have participated in the color guard/music/dance programs while attending Kamiak High School. These scholarship awards will be paid directly to any in-state or out-of-state four-year or two-year college, a Fine Arts institute or a conservatory of the winner's choice. Booster scholarships are for the sole purpose of defraying the cost of post-high school education and are non-renewable awards.

### **CRITERIA FOR APPLYING**

- Applicants must be graduating seniors with plans to continue their education the September after graduation. If a winner decides to postpone entry into a post-high institution, the Kamiak Booster Organization must be notified by the first of July following the winner's June graduation date.
- Candidates must have participated in and contributed to any of the Kamiak Fine Arts programs including Band, Orchestra, Choir, Vocal Jazz, Jazz Band, Color Guard or Dance Team.
- Candidates must have a cumulative GPA of 2.75 or above.
- Applicants must intend to participate in (although not necessarily major in) a Performing Arts program while pursuing their post-high school educational goals.
- Applicants must submit a one-page essay answering the following question: "How have the Arts made a difference in your life thus far, and potentially in the future?"
- Need is not a consideration. Commitment to the Kamiak Performing Arts Program, years of involvement, what has been "given back" to Kamiak Performing Arts, extension activities related to Fine Arts, work ethic, integrity and leadership are additional criteria that will be considered.

### **SELECTION PROCESS**

- The selection committee will be comprised of Booster members representing each group, two staff members outside of the Fine Arts Department and an administrator.
- The committee will select the winners based upon individual applications and essay submissions.
- The committee's selections will be approved by the Fine Arts staff. Committee members will include members of the Kamiak Performing Arts Booster Organization and Kamiak staff. Selections will be made with applicant name known only to committee chair during selection process.
